Experience the many things

California has to offer! Southern California has many theme parks and allows you to learn about magical new worlds. Here's where the original Disneyland Resort and Disney's California Adventure live, and where the magic began! A group can perform and set up educational sessions with phenomenal educators. Disney's Grad Nite makes up just a few of the special events and programs that Disneyland has to offer. Not far away you have Knott's Berry Farm theme park with over 165 rides, shows and attractions. You can experience thrilling roller coasters, Old West themed rides, and fantastic shows!

In Northern California you have a breathtaking view of San Francisco and the beautiful Golden Gate Bridge. Here you will delight in modern history, beginning with world famous Fisherman's Wharf, Aquarium of the Bay or an Alcatraz discovery lunch cruise on the Hornblower Cruises. Enjoy yourself at Pier 39's Fisherman's Wharf, historic Alcatraz, the thrilling Six Flags Discovery Kingdom, the San Francisco Zoo and Ghirardelli's chocolate factory.
